## **2008 HOLIDAY TRASH PICKUP SCHEDULE\***

If one of your regularly scheduled pickup days falls on a holiday, you will receive only one pickup during the week. Routes receiving only one pickup during the holiday week will be picked up on the next regularly scheduled pickup day.

If your regularly scheduled pickup day does not fall on a holiday, you will receive two pickups during the holiday week. When we pick up the routes who received only one pickup during the holiday week on their next regularly scheduled pickup day, the routes may run late due to heavy volume. If this occurs, we will complete those routes and then begin picking up the routes scheduled for two pickups.

Labor Day:	Monday	September 1, 2008	No Trash Pickup
Thanksgiving Day:	Thursday	November 27, 2008	No trash pickup.
Christmas Day:	Thursday	December 25, 2008	No trash pickup.
New Year's Day (2009)	Thursday	January 1, 2009	No trash pickup

*\* While our contract called for 3 holidays with no pick up (Xmas, New Year's Day and Thanksgiving) because of the way the 2008 calendar works out, we only have TWO holidays without trash pick up (July 4th and New Year's Day).*
